Engineer Brand

{ Data Governance & Quality }

Trusting the numbers

Rules and checks that catch bad data on the way in, and a clear answer to who owns which figure and where it came from.

Still working out what you need?

Tell us what is going wrong, or what you are trying to build. We will tell you what it would take, roughly what it would cost, and whether we are the right people for it.

From 1,400 DKK an hour, excluding VAT — and less per hour on a longer booking.

Selected work demonstrating this service.

Turn the service into a result

Make “Data Governance & Quality” serve a business outcome. We can connect the technical work to the users, operations and decisions it needs to support. Rules and checks that catch bad data on the way in, and a clear answer to who owns which figure and where it came from.
